- Garbage carts are picked up weekly; recycling carts are picked up on a bi-weekly basis.
- Carts must be out by 7 a.m. on the day of pickup.
- A single calendar shows what zone you are in and what day your garbage and recycling will be picked up.
- Garbage and recycling are picked up on stat holidays, with the exception of Jan. 1, Nov. 11 and Dec. 25.

### How to use this calendar:

Your garbage and recycling zone can be easily located in three different places. You can find this information on page 2, in the street listings on pages 3 & 4, and on the zone map on Page 5. Your zone determines what day your garbage and recycling will be picked up. Garbage zones are numbered 1 – 5. Garbage is picked up weekly. Recycling zones are identified as A and B. Recycling is picked up bi-weekly. Please make sure you are familiar with the garbage and recycling zone for your address.

The garbage and recycling calendar on page 2 contains all the information you will need about garbage and recycling pickup, including your zone and when yard waste collection and large item pickup begin and end.

### Yard Waste (April 27 - October 30)

- A reusable container without a lid (e.g. plastic tubs, old recycling boxes, metal or plastic garbage cans).
